

Membership at Horton Golf Park

Thank you for your interest in membership at Horton Golf Park.

In this pack you will find information about the club and on the many benefits of membership along with details of how to join and the membership fees.

At Horton Golf Park we have an 18-hole parkland course, the Millennium course, which is set within the grounds of Horton Country Park and plays 6010 yards long from the white tees. Our signature hole is the par 3 10th which is one of the longest island green par 3 holes in England! Wildlife is in abundance out on the course especially around our water holes, and you may even spot a deer if you're lucky. The course has benefited from large investment over the past few years and is now in the best condition it has ever been in, both summer and winter.

To compliment the millennium course we have a 9-hole Par 3 Academy course and a covered 26 bay floodlit driving range which features Inrange screen technology in every bay and uses the highest quality Srixon range balls. Booking is made in time slots online. We also have a short game area with bunkers and a putting green, perfect to practice your short game. If you are looking to relax and have a bit of fun with friends or family then we also have an 18-hole Jungle Island Adventure Golf Course.

Finally, when you have worked up an appetite you can enjoy some great food and drink served throughout the day in our recently extended and refurbished clubhouse and orangery, featuring an extensive food and drinks menu, Italian coffee and Sky & BT Sports.

We have three principal types of membership to choose from at Horton Golf Park depending on how often you like to play; 5 Day membership (Mon-Fri), 7 Day membership (seven days a week) or Flexi membership which means you only pay for the golf you play using credits.

I hope that the following information provides you with everything you need to know about the Club and how to become a member. If you have any further questions or wish to come and play and have a look around then please do not hesitate to contact one of my team.

Yours sincerely,
Richard Haygarth
Proprietor

Benefits of Membership

Member Playing Rights

As per your chosen category, all members are entitled to play on both courses at Horton Golf Park with no green fee required to be paid. Pre-booking is essential.

Booking a tee time

Members Guests

Members can invite guests to play and pay a reduced green fee rate. Not applicable to Junior Members.

Competitions & Weekly Roll Ups

We have very active members sections within the club who organise regular competitions and social events. All events are mixed (men's and ladies) which is a unique feature of Horton Golf Park's competition set up. Most competitions are held on Wednesdays and Sundays, with more informal events held on Saturdays.

The ladies run specific competitions on Thursdays at 9am

If you are aged 50 years and over you might like to consider joining the HOGGS Section. They have a competition every Monday.

Juniors

We have one of the most active junior set ups in the country involving many coaching classes and competitions. In order to get your child into the most relevant session please ask for more information in the Pro Shop. Our shop holds the largest amount of kids golf product anywhere in the area. Junior members can receive a 10% discount on all product if they use their Levy account via their membership swipe card.

Getting a Handicap

If you do not have a current handicap and you would like one, you will need to submit three score cards signed by another member who has a handicap. If you would like us to arrange for some playing partners to sign these cards for you please just enquire in the golf shop and we will put you in touch with some fellow members.

We can also arrange for junior members to achieve a handicap. You don't have to be able to get a specific score to gain a handicap as we operate a Club handicap system which goes up to 54. All you need to do to get this is complete three scorecards; it is really easy!
