### **The Orangery & The Maple**

Horton Golf Park is the perfect location to hold your special celebrations. Our function rooms, the Orangery and Maple, are both part of our amazing conservatory with floor-to-ceiling windows and patio doors which open onto the spacious patio, allowing you and your guests to enjoy the picturesque golf course and beyond.

Both rooms are opened up by pulling back the sliding doors to create a bigger space, and are fully air conditioned. They can accommodate up to 150 guests for a stand-up finger buffet, offering plenty of space for friends and family alike. We have a private bar in the function room for your guests to enjoy and the neutral colour scheme throughout is perfect for you to add your own personal touch to.

We hold a license for live bands and DJs should you wish to organise live music for your evening. In addition, we have several recommended suppliers who have worked with us in the past and we know that they will add that magical touch to your occasion. We have a variety of options to suit your budget and taste, including a variety of food and drink menus. There is also an option of extending the bar opening hours until 1am, should you wish to carry the party on a little longer.

There is plenty of free parking and easy access from all major routes including the A3 and M25. Please note we are a cashless site and only card will be accepted throughout.
